PART TWO Read the following passage then choose the best answer to each question:

Are you stressed at work? Are you doing anything about it? You should. And your boss should help you. A stressed employee usually makes mistakes, and mistakes cost money. So, here is our advice:

Take a break! Stress causes mistakes. A break really helps you to relax.

Don't miss lunch! A hungry person doesn't think clearly! And a nice meal doesn't take much time.

Listen to music! Quiet music usually relaxes your body and mind. Loud music doesn't always help.

Laugh! It makes you feel better. Read a funny story or chat with a colleague, then go back to work.

Try these suggestions next time you are stressed and you will feel better.
